

# CLOVER RIDGE PLACE

MAY 2011

*Spring is here!....I think....as I sit here writing this—I cannot be sure. The high today is 40 degrees which makes for a very cold spring. This is my favorite time of year. I love watching the birds sing, the bulbs bloom and I enjoy the weather as it warms up. The actual changing of the seasons is what I really love. As I am sure some of you have heard by now, my husband and I will be re-locating our family this summer. This is a major, life-altering change. After many months of indecision, Dave has accepted the position of Public Service Director in Grinnell, Iowa. Grinnell is a town of 11,000 and is a little over 2 hours away from here. As much as it breaks my heart, I am going to resign my position here at Clover Ridge. The past 10 years have been wonderful and I have enjoyed every minute of working here. Each and every resident will always hold a special place in my heart. Clover Ridge is a fabulous place to work and a wonderful home to many people. I will be back often to visit, and I will try to write and keep everyone updated as to how things are going for us. Nick and Nicole are excited, and a little scared of the unknown, as are Dave and I. Change is good—I wish all of you the very best and love all of you very much!!*
