

*CLOVER RIDGE PLACE*  
*AUGUST 2011*

*"I Remember August"*

*I remember August:  
That breathy space before fall;  
The long slow arc of the sun  
Touching the northern horizon.*

*I remember August:  
Its dampness confined to fog  
Pulled along the seashore's edge  
And into the bays and rivers.*

*I remember  
Silent waves rocking small stones;  
Shifting, slipping, and sliding  
Sibilant sighs and whisperings.*

*I remember  
The hay lying cut and straight,  
Drying in the summer sun  
Waiting for the baler to come.*

*I remember August:  
With the soft shade and shadows  
And the long hours of twilight  
Creeping slowly toward the night.*

*By, Pam Olson*
