

DARE TO DREAM ENID KING – 99 YEARS OLD

Dreams do come true at Clover Ridge Place! Enid King – long time resident of Clover Ridge Place, resident of Maquoketa Iowa, lifetime member of the Maquoketa Country Club and 99 years young this September had her dream come true. Enid simply missed her club, her friends, and the atmosphere of the bar, having a few drinks, a good meal and fabulous conversation. Donita Dohrn, Administrative Assistant of Clover Ridge volunteered to be Enid's date/escort for an evening of fun, drinks and food. Enid and Donita left Clover at 4:30 and headed to the Club where Enid was welcomed back with open arms! She was escorted straight into the bar (her old stomping ground) where she was treated to a glass of Miller Light. She and Donita visited with everyone in the place. Enid was then treated to an authentic Italian meal of chicken fettuccini, salad, and hot bread. Arriving back at Clover Ridge several hours later, Enid was not able to stop smiling!
