

CLOVER RIDGE PLACE SEPTEMBER 2011

As September approaches, I want to make sure that everyone knows of the transition that Clover Ridge has been through. Dave and Lynne Popp and their kids have moved to Grinnell, Iowa and are getting settled into their new venture in life. I know Lynne misses everyone here at Clover Ridge and thinks about us all of the time, but is getting accustomed to her new environments. As we say good-bye to Lynne we also want to welcome Clover Ridge's new manager, which is me, Nathan Gjerstad. I started here at Clover Ridge on August 8th and am starting to get settled into my new position. I have lived here in Maquoketa for the majority of my life and am now raising my family in Maquoketa as well. I am sure that many of the residents know this, but Dr. Paul Gjerstad of Maquoketa was my father, as several of the residents and I have discussed him and how they remember him and share their experiences with him as a doctor.

As we move forward here at Clover Ridge Place, I want to thank you all for welcoming me into your home and I look forward to continue to keep Clover Ridge Place the same great home that it is today. Please feel free to contact me if I can be of any assistance to you or your loved ones.

A handwritten signature in black ink, appearing to read "Nathan Gjerstad".
