Doug Melvold presents

A tour of U.S. Navel WW II LST landing ship

Doug will present a slide show on the recent visit of the restored U.S. Navy World War II LST landing ship. The ship was ported in Dubuque and the Quad Cities over this past summer. Doug served as a volunteer during the ship's visit to Dubuque. During that time more than 16,600 people toured it. Doug was inspired as his dad served as a skipper of an LST during the latter stages of World War II.
