Cheri Orcutt, Manager

At Clover Ridge Place

Will be presenting

The Longest Day!

The Longest Day is all about love. Love for all those affected by Alzheimer's disease. Statistics show that 5.7 million Americans are living with Alzheimer's disease and by the year 2050 this number is expected to rise to 14 million. As Alzheimer's Disease is the 6th leading cause of death in the United States it is critical we begin to fight for research, early diagnosis and most importantly, a cure.

June 21st is the longest day of the year. Also known as the summer solstice, a day which has the most hours of sunlight throughout the entire year. The Alzheimer's Association has selected "The Longest Day" to show love and support for those affected by Alzheimer's disease.

Join Cheri as we learn about how Alzheimer's disease is affecting those around us, including those we love.

Thursday, June 21

Noon in the Great Room

Clover Ridge Place

205 Ehlers Ln., Maquoketa, IA

Reservations are required. Call to make your reservations today!
